**Object: ÖKO-TEX Standard 100**

With reference to your request, Epta Inks S.p.A. inform you that the product:

**UR 2500**

marketed by the same, meets the following Standard ÖKO-TEX Standard 100 and are compatible with the limits described in the class I of the Norm.

The following document is valid until one year and if no changes possible formulae or legislation reach us.

This document refers to the initial analysis of the formula and the components of the product itself.

This document is not based on a routine analysis of such product or the raw material that form it.

Possible specific requirements will have to be submitted to the evaluation of Epta Inks S.p.A.

We remain at your disposal for any further information you may need.

Best Regards

Epta Inks S.p.A.  
Maurizio Fucini
